### **NOTIFICATION OF PUBLIC ADDRESS SYSTEM TESTING**

**Naval Base Coronado, Coronado and Imperial Beach, Calif.** – Naval Base Coronado (NBC) will conduct testing of the Base wide public address system during the week of 9 May 2016. The public address system will be tested at Naval Air Station North Island, Naval Amphibious Base, Silver Strand Training Complex – South (NBC Coastal Campus) and Naval Outlying Landing Field Imperial Beach on Monday, Wednesday, and Friday (May 9<sup>th</sup>, 11<sup>th</sup>, and 13<sup>th</sup>) from 11:00 AM until 2:00 PM. Individuals in the vicinity of these installations may hear 10 second test tones followed by a computer generated voice message "This is a test of the emergency broadcast system....this is only a test."

The Navy recognizes the importance of being good neighbors with the local communities and makes every effort to abate noise when possible.

Noise complaints can be completed online at:
